**Pine Canyon Launches New Home Site Enclave**  
*Mid year also marks strong sales for the community*

**Flagstaff, Ariz.** (July 23, 2015) Pine Canyon, a private, luxury golf community in Flagstaff, has announced the completion of 47 new estate sized home sites, averaging approximately ½ acre in size.

Walnut Canyon, one of the most pristine neighborhoods in the community, is bordered by holes 2, 3 and 4 of the Jay Morrish-designed, championship golf course, as well as Coconino National Forest. Pricing begins at \$275,000 and offers some of the best views in the community. The home sites have been highly anticipated with 15 reservations already held. Progress on the enclave is moving quickly- paving is complete and minor site improvements will be finished by the middle of September, when final public report is anticipated.

With the introduction of Walnut Canyon and other community additions on the horizon, sales interest remains strong at Pine Canyon. Year to date, the community has reported nearly \$13 million in closed sales, with another \$7 million in escrow and \$4.9 million in reservations. In addition, since June five Elk Pass Townhomes, two Creekside Village homes, and two homesites are pending, while two Deer Creek Cabins and one homesite have closed. Considering these current figures, Pine Canyon should surpass the \$27 million in sales in 2014.
