Pine Canyon Breaks Ground On Newest Enclave
New product introductions result in strong 2014 Sales

Flagstaff, Ariz. (November 13, 2014) Ground has been broken on the newest enclave within Pine Canyon, a luxury golf community located in the heart of Flagstaff, Ariz. Called Walnut Canyon, this premier neighborhood is bordered by holes 2, 3 and 4 of the Jay Morrish-designed, championship golf course, as well as Coconino National Forest; offering views unsurpassed by any other in the community.

Walnut Canyon is comprised of 47 estate-sized homesites that range from one-third to three-quarter acres, allowing for privacy and maintaining clear sightlines of the enclave's stunning surroundings. 25 homesites were released for reservation in 2013, with pricing starting at \$199,000. Lending to its premier status in Pine Canyon, nearly half of the released homesites have already been reserved.

It is the launch of new product options, such as Walnut Canyon and the recently introduced, redesigned Elk Pass Townhomes that has kept interest and sales strong at Pine Canyon. Year to date, the community has reported more than \$32 million in sales transactions. Building activity also is solid with 15 homes currently under construction.
